

## BENEFITS

- ✓ Extremely effective concentrated problem solver for all deposit related problems in diesel engines
- ✓ Cleans the fuel system including injectors, valves and combustion chamber
- ✓ Cleans the diesel particulate filter (DPF)
- ✓ Extends lifetime of the diesel particulate filter (DPF)
- ✓ Cleans the catalytic converter
- ✓ Keeps the turbo and EGR-valve clean
- ✓ Boosts cetane number and lubricates the fuel pump
- ✓ Restores engine power and improves fuel economy
- ✓ Reduces toxic emissions

## USAGE

For all diesel engines (incl. common rail) with or without turbochargers or diesel particulate filter.

## DIRECTION

Pour the contents of one bottle in the fuel tank before filling it with diesel fuel. Drive 20 - 30 minutes preferably with elevated RPM (>3.000).

## DOSAGE

One bottle treats 40 to 60 litres of diesel fuel. Do not overdose!
